Go past the Sunoco gas station on the right, and then past High Street and Green Street, staying on Rt 43. One-tenth of a mile past Green Street, a small, hidden road (Twp Rd 218 – Ye Olde Dump Road) turns off of Rt 43 to the right. Follow Twp Rd 218 for 8-tenths of a mile. The Sawka Family in Zambia:

We have been working in Bible translation for over 35 years. We have helped six different language groups complete their New Testaments and are working with a seventh group, which we hope to finish in the next two years. Come and work alongside us and learn more about serving as foreign missionaries.

Thank you for encouraging us! We would love to have you come to Africa to help us build too, but any help given while we are in the USA is greatly appreciated.
